

DESERT SAFARI

A thrilling and well-liked activity, a desert safari in Dubai lets you take part in exhilarating activities, enjoy the beauty of the desert scenery, and get a taste of traditional Emirati culture. Here is an overview of what you may typically anticipate from a desert safari in Dubai as of my most recent update in September 2021:

Your desert safari adventure typically starts with a pickup from your hotel or another prearranged meeting location. You'll be taken outside the city and into the desert.

Dune Bashing: A exciting trip in a 4x4 vehicle through the sand dunes is one of the highlights of a desert safari. A thrilling and adventurous tour will be provided to you by knowledgeable drivers who will navigate the sand dunes and provide

Views of the sunset: As you arrive at the desert campground, you'll have the chance to take in breathtaking panoramas of the desert environment as the sun sets over the horizon. At sunset, the desert's colors and calmness are simply magnificent.

Camel Riding: Travel through the desert on a camel to experience a classic way of transportation. This is a wonderful approach to take a leisurely stroll and get in touch with the desert nature.

Sandboarding: Sandboarding is similar to snowboarding but is done on sand dunes, so give it a try if you're feeling daring. For a fun and different experience, slide down the sand dunes.

Various cultural activities that give you an understanding of Emirati customs are available at the desert camp.

Try in traditional Emirati clothing and pose for pictures.

Henna tattooing: Have a short-term henna design applied to your hands or feet.

Smoking shisha: Have a traditional flavor-infused hookah experience.

Falconry Display: Watch a falconry demonstration to learn about the craft's historical significance in the area.

Entertainment: Enjoy live performances of traditional dances like tanoura and fire shows, as well as belly dancing, which will liven up the evening.

Dinner will be served buffet-style and will include both Arabian and international cuisine. Try some of the salads, grilled meats, snacks, and desserts.

DEVOTION

TRAVEL AND TOURISM

Stargazing: The desert has little light pollution, so you may be able to study the night sky and take in all the splendor of the stars.
